SCHEDULE OF HOURLY RATES GENERAL INFORMATION

Vessel (any Workboat, Service Boat, Crew Boat, Tug, Deck Barge, Spud Barge, Crane Barge, etc.) time begins at the time and place crew assembles and includes all time required for loading, and unloading, standby, and continues until vessel is secured and released for the day at point of origin. Return of vessels to point of origin will always be charged to the customer.

All vessel and labor crew time is subject to a Minimum Charge of eight (8) hours in the inland waters. All floating equipment carries a minimum charge of eight (8) hours. All labor shall have a minimum charge of four (4) hours. Call-outs after 1530 on weekdays or at any time on weekends shall be a minimum charge of four (4) hours at the overtime rate. Double time is charged for labor on all national holidays.

Cables or Spuds destroyed or damaged while pulling a drilling rig or any grounded vessel will be for the customer's account at cost of replacement or repair at our standard labor and equipment rates.

When employed, hired, or chartered to participate in any activity that could possibly cause any damage or harm to the marine environment, the customer is required to hold Raymond Dugat Company, L.C. harmless and protect owners, vessels and crew members from any liability whatsoever. Entering into shallow water, unmarked channels, pulling on grounded vessels, etc. falls into this category.

Any alterations or modifications of any kind to our vessels for customer convenience will be performed only with our prior permission, supervision, and by our personnel at our regular labor and equipment rates. Complete restoration will be performed under the same requirements.

All equipment is priced without operators unless otherwise stated.

All equipment is priced without fuel unless otherwise stated. Any fees or charges for dockage, loading or unloading, ramp charges, etc. at any facility other than our own will be charged at cost plus 20%. All outside rentals are subject to a 20% handling charge.

A ramp charge of \$100.00 per trip shall apply to all non-Company barges loaded or unloaded at our Ingleside, Texas harbor facility.

All permits or other fees will be charged at cost plus 20%.

All third party charges will be billed at cost plus 20% handling charge, with a minimum handling charge of \$50.00 per third party transaction. This also applies to all third party boat rentals.

Unless customer has on file in our Ingleside office an appropriate Sales Tax Exemption

Certificate or Direct Payment Authorization Number, Texas State Sales and Use Tax will be charged to the customer. Payment of Sales Taxes is applicable regardless of payment terms unless requirements cited above have been met or the payment of Sales Tax has been specifically addressed as part of the contract.

Any questions pertaining to rates, charges, method of charges, invoices or company policy either written or implied, must be directed to an executive officer of the Company. Field personnel are not authorized to commit the Company to any variances in Company policies.

This equipment and labor cost list applies to standard situations and usages. The Company will, at the customer's request, formulate specific proposals for equipment, labor and/or term of usage.

Services, labor and equipment are subject to availability, unless the customer has made specific prior arrangements with the Company.

Any materials or equipment stored at our facility are subject to a daily storage charge.

Fuel Surcharge:

A fuel surcharge will be applied to all hourly charges on powered vessels, including skiffs and runabouts. The charges will be applied according to the below schedule. For example, if the total vessel charges equaled \$2,000.00, and the fuel price was \$4.11, a surcharge of 54%, or \$1,080.00 would be added to the vessel charge, for a total due of \$3,080.00. Prices outside the range of the table move 1% per \$0.10 of fuel cost.

| Diesel Price | Surcharge |
|---------------------|------------------|
| \$3.60 to \$3.69 | 49% |
| \$3.70 to \$3.79 | 50% |
| \$3.80 to \$3.89 | 51% |
| \$3.90 to \$3.99 | 52% |
| \$4.00 to \$4.09 | 53% |
| \$4.10 to \$4.19 | 54% |
| \$4.20 to \$4.29 | 55% |
| \$4.30 to \$4.39 | 56% |
| \$4.40 to \$4.49 | 57% |
| \$4.50 to \$4.59 | 58% |

These rates are effective June 23, 2008.
